An Invitation: Is there any love story in the entire universe equal to the Blessed Trinity's life of Love Out-Poured? From the moment of our conception until the day of our journey Home, we are in the process of transformation into God's glory. Do we have the courage to follow the way of Jesus? Where is the Spirit of God leading us? Do we really want to go there? Come and see!

What else will you do? *Processions, walks in the woods, table discussions, spiritual direction, Mass, meet new friends, out door stations of the cross, pray, and grow in your faith.*
